Re: WCB Docket No. 02-117 -- In the Matter of Qwest Tariff FCC No. 1,  
Transmittal No. 120 -- Direct Case of Qwest Corporation --  
Amendment to June 10, 2002 Letters

Dear Ms. Dortch:

On June 10, 2002, Qwest Corporation ("Qwest") filed its Direct Case in the above-captioned proceeding. Associated with that filing were two letters that essentially contained the same text and requested confidential treatment of Workpapers 1 and 2. Workpaper 1 is entitled "Network Cost: Thousands-Block Number Pooling Cost Recovery" and Workpaper 2 is entitled "Operational Support Systems: Thousands-Block Number Pooling Cost Recovery". One of the two letters was marked "NOT FOR PUBLIC INSPECTION", and appended thereto for filing the non-redacted versions of the two Workpapers. The second letter was marked "FOR PUBLIC INSPECTION" and noted that redacted versions of the two Workpapers were appended to the Direct Case.

The last sentence of the second paragraph of each letter read as follows: "If the FCC denies the request for non-disclosure, then, pursuant to Rule 0.459(e), Qwest asks that Workpapers 1 and 2 be returned." Qwest would like the record for this proceeding to reflect the fact that this sentence has been amended to read as follows: "Qwest does not object to the release of the non-redacted versions of Workpapers 1 and 2 under the terms of a protective order to participants in this tariff investigation."

If you have any questions regarding this matter, please do not hesitate to contact me.

Very truly yours,

/s/ James T. Hannon
